

## CAROLINE - SMOKE GREY

This classic 3-strip parquet has little tonal variations and very few knots. Matt varnish makes it easy to maintain and it does not show off much of scratches.

Strong HDF-mid-layer is very stable in changing humidity conditions and helps prevent dents from falling objects.

Products are available in 4 different colours – natural oak, white oak, smoke grey and dark brown.

Measures: 12 x 200 x 1200 mm , 7 boards in one package
